Our routine review of Schools and Libraries Program (Program) funding commitments has revealed certain applications where funds were disbursed in violation of Program rules.

In order to be sure that no funds are used in violation of Program rules, the Universal Service Administrative Company (USAC) must now recover these improper disbursements. The purpose of this letter is to inform you of the recoveries as required by Program rules, and to give you an opportunity to appeal this decision. USAC has determined the service provider is responsible for all or some of the Program rule violations. Therefore, the service provider is responsible to repay all or some of the funds disbursed in error.

This is NOT a bill. The next step in the recovery of improperly disbursed funds process is for USAC to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of that letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.

Funding Request Number: 1251347
Contract Number: 0550078
Services Ordered: INTERNAL CONNECTIONS
Billing Account Number: 310-436-1008
Funding Commitment: \$17,076,255.78
Funds Disbursed to Date: \$16,725,089.61
Funds to be Recovered from Service Provider: \$77,227.00

Disbursed Funds Recovery Explanation:

After a thorough investigation, it has been determined that funds were improperly disbursed on this funding request. During the course of an audit it was determined that funds were disbursed for products and/or services that were not approved on the Form 471 and the products and/or services do not meet the requirements for an eligible service substitution. During the audit it was determined that the service provider misinterpreted the applicant request. The applicant requested equipment with extra space for GBIC expansion and the service provider supplied the equipment with extra GBICs installed in the expansion slots. FCC rules require that applicants indicate on the Form 471 and item 21 attachments the services and/or equipment for which they are seeking funding so that USAC can determine whether the services and/or equipment are eligible for funding. Since the services were invoiced via a SPI, this violation was caused by an act or omission of the service provider because the service provider is responsible for ensuring that it provides and invoices USAC for only the products and/or services equipment that USAC approved. On the SPAC Form at Block 2 Item 10, the authorized person certifies on behalf of the service provider that the Service Provider Invoice Forms that are submitted by this service provider contain requests for universal service support for services which have been billed to the service provider's customers on behalf of schools, libraries, and consortia of those entities, as deemed eligible for universal service support by the fund administrator. Accordingly, USAC will seek recovery of the \$77,227.00 of improperly disbursed funds from the service provider.
